Library Referendum: May 17, 2005 This is Your Library, The Choice is Yours

The Town Council recently voted to send the Bill Library Addition to a referendum on May 17th to let the voters decide if a 14,368 square foot addition should be built. The Building Committee is committed to raising \$2 million and asks the town to provide \$2.5 million for the project. The Committee has already raised \$820,000 and hopes to secure a \$500,000 grant to cover the costs associated with improving handicapped access to the building. They will raise the remaining funds from other grants and fundraising activities, including a public appeal.

During the past year construction costs have increased but the Building Committee is holding the cost at \$4.5 million, keeping the town's share at \$2.5 million. The total square footage will be built but the lower level will be left unfinished. Using just the first floor doubles our existing space and will give us adequate room for the present. The lower level will be completed when additional funding is secured.

This addition will benefit every Ledyard resident by providing an expanded children's room, adequate room for technology, increased shelving for books, quiet reading areas, a separate young adult area, improved entrance on ground level and a handicapped accessible building.

We will hold two information sessions in May for residents to ask questions. (See inside) We've also included a "Frequently asked Questions" flyer in the newsletter.

Book Discussions

Join our monthly book discussions at 7 P.M. on Wednesday evenings at Bill Library. We always welcome new participants and provide evening refreshments.

April 20, 2005: *Hornet's Nest* by Jimmy Carter
President Carter continues to have one of the most productive and varied post-political careers of any former U.S. president. With 16 works of nonfiction to his credit, Carter turns to fiction with this account of the Revolutionary War in the Deep South. Because most of the accessible literature revolves around battles fought in New England and the Middle Atlantic colonies, it is easy to overlook the fierce fighting that took place in Florida, Georgia, and the Carolinas. The plot revolves around the migration of newlyweds Ethan and Epsey Pratt from Philadelphia to a homestead in Georgia. When the War for Independence heats up, the Pratts and their – friends and neighbors – many of them Quakers are forced into events beyond their control.

May 18: *The News from Paraguay* by Lily Tuck.
Ella Lynch left Ireland at age 10, married a French officer at 15, divorced by 19, and is now living with a Russian count while struggling to pay her embittered maid. Thus she's in prime shape to appreciate the quick and ardent attentions of Francisco Solano Lopez, aka Franco, the future dictator of Paraguay. Soon Ella is off with him to Paraguay, which he vows to make "a country exactly like France." This book of historical fiction tells a story not unlike Eva Peron's. Ella embraces her lover's ill-fated dream fueled by outsize imperial ambition and heedless arrogance, and with devastating consequences for Paraguay and all its inhabitants. *The News from Paraguay* captures the devastating havoc wrought on both a country's fate and a woman's heart by ruthless ambition and war.

June 15: *Saints at the River* by Ron Rash. When a twelve-year-old girl drowns in the Tamassee River and her body is trapped in a deep eddy, the people of the small South Carolina town that bears the river's name are thrown into the national spotlight. The girl's parents want to attempt a rescue of the body; environmentalists are convinced the rescue operation will cause permanent damage to the river and set a dangerous precedent. Torn between the two sides is Maggie Glenn, a twenty-eight-year-old newspaper photographer who grew up in the town and has been sent to document the incident. Since leaving home almost ten years ago, Maggie has done her best to avoid her father, but now, as the town's conflict opens old wounds, she finds herself revisiting the past she's fought so hard to leave behind. Meanwhile, the reporter who's accompanied her to cover the story turns

out to have a painful past of his own, and one that might stand in the way of their romance.

Ledyard Sampler

Saturday, June 11, 2005
(Rain date June 12)

11 a.m. - 4 p.m.
Nathan Lester House

Because we had so much success and fun doing the Yule Tea with the Historical Society, we've come up with another joint fundraiser

for the spring. The Ledyard Sampler will include guided tours of the Lester House and Tool Museum, a letterboxing and nature hike, a baked goods table, and hot dog stand. We are also reserving 10' X 10' vendor spaces in the meadow for crafters, antique collectors, and others for \$25 each. (We have a limited number of tables available.) In addition, we will have craft demonstrations, such as blacksmithing, spinning, and butter churning.

If you would like to help with this event by giving time or food, or to reserve a vendor space, please contact Andrea Buka at 464-8540, Jan Dawson at bsktladee@aol.com, or leave a message at either library. Deadline for reservations is June 4th. We look forward to seeing you there!

We have purchased 3 of these manuals, which are used by the Town of Ledyard when they look at new building and renovation plans. Each library has a Reference copy of this book, and Bill Library has a circulating copy which can be checked out for three weeks at a time.

Technology News

Bill Library now has a wireless connection to the Internet. Patrons may use their own laptop with a wireless card anywhere in the building to connect to the Internet.

The library can also e-mail patrons when a book placed on hold comes in. If you'd prefer an e-mail

note rather than a phone call when your books come in, let us know at either Bill or Gales Ferry Library. We'd be happy to send a note by e-mail.

Suggestion Box

The following suggestions were recently found in the suggestion box.

1. *I would like to see more books by Beverly Louis and the Polar Express DVD when it is available.*

Answer: The Polar Express DVD is on order. Beverly Louis has several books for children, young adults, and adults. We will try to get more. If there is a particular title you would like to see, let us know or place a hold on it through our catalog.

2. *I would like you to get more Nancy Drew Books- I have read all of the ones you have.*

Answer: We will add more, but we also suggest putting a hold on any titles you want. If we don't own a title, we can have it sent to us from another library.

3. *Putting all of the books in the "Enders" series (Orson Scott Card) together in Science Fiction would be helpful.*

Answer: Thank you, we have moved them to Science Fiction shelves. A duplicate copy of the first title will stay in the young adult section.

4. *I would like to see more young children's movies - both VHS and DVD (ie. Wiggles, Dora & Stanley)*

Answer: We continue to add new videos on a regular basis. Both of those titles are available at Bill Library and may be sent to Gales Ferry for you. Simply fill out a request slip at the desk. In order to stretch our limited budget we do not always purchase duplicate copies of a title. Thank you for your suggestions and compliments.

Bill Library Roof

The Bill Library recently had a new roof put on. The roof has been in need of repair for several years and significant water damage from recent storms made it impossible to wait any longer to replace it. Replacing the roof has been in the library budget for the past 3 years. After two attempts at going out to bid, we were able to find a contractor willing to do the work at a reasonable price. Although we have plans to expand and renovate the library, the funds for a new roof were eliminated from the total building cost. Most of the new roof will be untouched by the future expansion.

Other needed repairs and renovations that will be part of the addition project include repainting the exterior of the building, re-carpeting, repaving the parking lot, replacing the furnaces, replacing the telephone system, upgrading ADA code violations, and addressing moisture in the basement. These capital projects are estimated to cost a total of \$263,000 and cannot be delayed much longer.

Garden Club Donation

The Ledyard Garden Club recently made a donation to the libraries for some gardening Books. We have added the following titles in their name including *Wildlife Friendly Plants* by Rosemary Creeser, *Birds in your Backyard* by Robert J. Dolezal, and *Beginner's Guide to Gardening* by Reader's Digest for

Bill Library; and *Gardening with Ornamental Grasses* by Roger Grounds for Gales Ferry Library. These books make a wonderful addition to our collections and we appreciate their generosity.

Building Committee News

The Bill Library Addition Building fund recently received a \$20,000 boost to its capital campaign. A former Ledyard resident, whose family has lived in this town for many years, made the donation. He says "For many years [our] family has been very supportive of the town and in particular the library. We are pleased to be able to help and hope you are successful with this project."

The library's benefactor, William Holton will fully match the donation. Mr. Holton has offered to match all donations to the building fund dollar for dollar up to \$100,000. To date he has matched \$69,400.

The Building Committee has committed to raise \$2 million to offset the cost of a \$4.5 million expansion to the library. This donation brings the total raised to \$820,000. The committee is looking at grants and other fund raising activities to raise the remaining funds. Interested parties may make tax deductible donations to the Bill Library Association.
